REPORT OF THE BOARD OF SELECTMEN

The Selectmen have received more complaints concerning home businesses this year than any other time. Our zoning law allows certain home businesses but states that ample off-street parking must be provided. We ask the cooperation of all those residents operating such a business, so that they do not infringe on the rights of their neighbors.

The town is in the midst of a revaluation of properties, in accordance with an article passed at last year's town meeting. Tax bills received next fall will show the new valuations set on your properties. Hearings will then be scheduled and, at that time, residents may meet with State Assessors to discuss assessments.

We wish to thank all boards and committees for their cooperation and endeavors on behalf of the Town of Atkinson.

TOWN WARRANT

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Atkinson, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday, the sixth day of March next at ten o'clock in the forenoon, and close not earlier than seven o'clock in the evening to act upon the following subjects:

1. To choose all necessary Town officers for the coming year.
2. To see if the Town will vote to adopt the amendments to the zoning ordinances as proposed by the Planning Board. (By Ballot)
 1. Are you in favor of retaining Zone 1 as an industrial zone? This is the entire triangular area at the east end of Route 111 and north of the highway.
Recommended by the Planning Board
 2. Are you in favor of retaining Zone 2 as an industrial zone? This is the area on the south side of Route 111 opposite the above triangle running from the Hampstead line to the Island Pond Road.
Recommended by the Planning Board
 3. Are you in favor of retaining Zone 7 as an industrial zone? This is an area bounded by a line 500 ft. west of the railroad right of way and track and all land East of the railway.
Recommended by the Planning Board
 4. Are you in favor of retaining Zone D as a commercial zone? This is an area on the southerly side of Main Street beginning at Willow Vale and running to the North corner of the Telephone Company and being in depth about 1000 feet.
Recommended by the Planning Board
 5. Are you in favor of amending the zoning ordinance to change Zone 3 from industrial to an open zone subject to all the present zoning restrictions? This is the area west of a line intersecting Route 111 and Island Pond Road and running to the intersection of West Side Drive and the Salem line South of the proposed new Route 111.
Recommended by the Planning Board
 6. Are you in favor of changing the trailer clause from Zone 4 to Zone 3?
Not recommended by the Planning Board
 7. Are you in favor of amending the zoning ordinance to include the following paragraph?
"Driveways shall be constructed in the following manner: The area adjacent to the highway be graded such that the surface will slope from the edge of the pavement to a line 5 feet distant from and parallel to the pavement and 3 inches below the edge of the pavement (for the entire frontage of the property) which line will serve as a drainage gutter."
Recommended by the Planning Board
 8. Are you in favor of amending the zoning ordinance to adopt into the zoning laws F. H. A. specifications as to single family framed dwellings permanently constructed?
Recommended by the Planning Board

3. To see if the Town will vote to change the term of the Road Agent from one year to three years, beginning with the term of the Road Agent to be elected at the regular 1974 Town Meeting.

(Submitted by Selectmen)

4. To see if the Town will vote to approve the following: "Raises for the Town Treasurer, Tax Collector and the Town Clerk may only be considered at the time the office is open for election."

(Submitted by Budget Committee)

5. To see if the Town will vote to increase the annual salary of the Town Clerk from \$200 to \$400.

(Submitted by Selectmen)

6. To see if the Town will vote to increase the annual salary of the Town Treasurer from \$500 to \$700.

(Submitted by Selectmen)

(Submitted by Selectmen)

10. To see if the Town will raise and appropriate the sum of \$1200 for the purpose of rebuilding Pages Lane.

(Submitted by request)

11. To see if the Town will raise and appropriate the sum of \$1000 to purchase a radio to be installed in the power truck of the Road Agent.

(Submitted by Selectmen)

12. To see if the Town will raise and appropriate the sum of \$1000 for the purpose of having the Town books audited annually by the New Hampshire Municipal Finance Office.

(Submitted by Selectmen)

13. To see if the Town will raise and appropriate the sum of \$1200 to purchase a generator for the Fire Department.

(Submitted by Selectmen)

14. To see if the Town will vote to accept matching funds of \$2020 from the Federal Government for local project (Pope Road Area) as proposed by the Atkinson Recreation and Conservation Commission, and raise and appropriate same.

15. To see if the Town will vote to use \$35,000 of the funds received by the Town under the U. S. Federal Assistance Act of 1972 for the purpose of erecting or adding to the present library, or take any other action hereon.

(Submitted by Selectmen)

16. To see if the Town will vote to authorize the Selectmen to administer or otherwise dispose of any real estate by tax title or otherwise, either by bid or by public auction, providing that if such property is to be sold at public auction, then the same shall be advertised fifteen days in advance of sale with notice thereof posted in three public places.

(Submitted by Selectmen)

17. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.

18. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the Town will need in anticipation of taxes.

19. To hear the reports of the Town Officers and Committees, act on the same and transact any other business that may legally come before the meeting.

Given under our hands and seal, this twelfth day of February in the year of our Lord, Nineteen Hundred and Seventy-Three.

REPORT OF THE FIRE DEPARTMENT

The year of 1972 has been a busy year for the Atkinson Fire Department, not only accepting a new fire pumper, but answering fifty-eight (58) calls.

Although we have answered more calls than ever before, the number of major calls answered has not increased, greatly due to the consciousness of the Townspeople with regard to fire safety in their homes. Of the eighteen (18) miscellaneous calls handled, nine (9) were to investigate possible fires.

Again the staff of the Department, the Red Network women and the men have served the town in an outstanding manner, a service extremely vital to the town and its growth.

Number of calls responded to:

House Fires	4
Dump Fires	12
Resuscitator	4
Emergency Help	8
Car fires	4
Miscellaneous calls	18
Brush and Grass Fires	2
Mutual Aid	5
Plaistow - 2	
Hampstead - 1	
Haverhill, Mass. - 1	
Lawrence, Mass. - 1	
False Alarms	1
Additional calls made to protect in case of fire:	
Hydrant Maintenance (Not including time spent during training sessions)	3
Power Failure (Standby at Fire Station)	4
Total number of calls handled by Red Network	86

In closing, I wish to thank the men and women of the department and the Townspeople for their continued support of their Volunteer Fire Department.

DONALD MURPHY, Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief, is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control, but once allowed to run wild, it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	101	112
TOWN	6	1-1/2

REPORT OF THE POLICE DEPARTMENT

1972 was the most productive and active one to date for the personnel of the department.

As a result of the time and effort the three men of the Police Study Steering Committee put into the making up of Article #13 to provide Patrol Hours during the time our facts determine the need for them, and your excellent support of this Article, gave us the extra Patrol Hours we badly needed.

We fully intend to provide as many extra patrol hours to deter breaking and entering into homes or businesses. Success in this operation during the past year, as shown by figures elsewhere in this report, has been very pleasing.

Your continued cooperation in letting us know when your property is unattended, or when you see or hear anything that disturbs you, will be greatly appreciated. We are as near as your telephone. The number is 5536. It is covered twenty-four hours a day. In an emergency, please speak slowly, clearly, state your name, where you live, and your problem.

A most important problem we had during the Summer months, seems to be continuing into our Winter months. This is the much discussed Mini or Trail Bikes, Motorcycles, and Snow Traveling Vehicles. None of these vehicles are allowed on private property without the land owners permission. Any unregistered cycle of any type is not allowed on a public way. Any snow travelling vehicle cannot be operated by an unlicensed person upon or across a public highway or any portion thereof. Any snow travelling vehicle registered and operated by a licensed person is not allowed on a public way except under strict and regulated conditions. Any questions you may have about the legal operation of any of these vehicles, please call and your questions will be answered.

The following facts and figures are submitted to acquaint you with the operation of the Police Department in the year 1972.

Our Blue Network telephone system handled a total of three thousand, one hundred and forty one (3,141) calls. The clerk made one thousand, three hundred and ninety two (1,392) calls pertaining to Police business. Total number of man hours - three thousand, three hundred and fourteen (3,314). Total number of miles travelled - twenty nine thousand, nine hundred and forty five (29,945). Man hours include the Chief and Deputy Administration, Investigations and Special Patrols. Weekend Patrols, Day and Night Patrols during the

week, Complaints, House Breaks and Court Hours for Traffic Violations and Complaints. Most important of these calls are listed as follows:

Police Business		1,660	
Complaints - One third needing Officer follow up		313	
Complaints requiring One or More Officers Immediately		398	
Residents Away - Checked by Patrol		287	
Fire Calls Requiring One or More Officers		33	
Cars stolen and Recovered: 2 Stolen & Recovered - 2 attempts			
10 Stolen Cars found in Atkinson		14	
Accidents: 19 Cars Totaled - 8 needing Ambulances			
3 Hit & Run - 2 Car and Horses - 20 Minor			
1 Child thrown from horse - Ambulance			
All needing One or More Officers	Total	45	
10 Reported - Included under Police Business			
House Breaks: Breaking & Entering with Articles taken			
Daytime, 7 - Nighttime, 4	11		
Breaking & Entering Nothing taken			
Daytime, 6 - Nighttime, 4	10		
Articles taken from Private Property			
Outside - Daytime	2		
Outside - Nighttime	11		
Attempts Outside Nothing taken	<u>3</u>	Total	37
Police Investigation results:			
Scared away by Patrol 5 - Solved but not proven 7			
Items taken - Recovered & Returned 4			
Cases Solved & Court Action Taken 5	Total	21	

We feel that once again through the combined efforts of the Fire and Police Departments in giving the party at the Academy and the Town Hall for our young people, helped a great deal in reducing our problems at Halloween time.

We wish to thank all Residents for your cooperation during 1972.

Respectfully submitted,

WILBUR R. MOODY
Chief of Police

REPORT OF THE HIGHWAY DEPARTMENT

During the past year - 1972

- the wettest in 70 years, it has been a chore to keep up with the patching of roads, cleaning of culverts, etc.

Approximately nine miles of Town road have been resurfaced. A section of Providence Hill Road was rebuilt (from Walker Road to Bunting's Garage). This was done under T.R.A. (State Road Aid) Funding. This year's T.R.A. will complete the Providence Hill Road project.

New equipment bought this past year - an automatic inbody sander (6-1/2 cu. yds.). What a pleasure. Our new Highway Garage has been built at the rear of the Town Hall and has proved to be a great help.

I wish to express my appreciation to the Townspeople for their cooperation during the past year.

Respectfully submitted,

DANIEL W. STEWART
Highway Agent

REPORT OF THE KIMBALL PUBLIC LIBRARY

This has been a very busy and productive year for your library. Of the problems facing the library, the greatest is space. The library, as it exists today, is ample for a town with the population of 600. Atkinson's population is nearly 2,500, obviously we are deficient in library space.

There are two alternatives open to the town. One, take over the other rooms in the present building, or build a new library adjacent to or joining the present structure. Following much discussion and study, it was felt the present building is not conducive to library use. Any form of renovation would still not provide what is needed most, wall and floor space.

At no cost to the taxpayer, funds through Federal Revenue Sharing are available for a new library, which would give ample space and provide more services to the community. Hopefully, voters will approve this plan.

512 new books have been purchased this year, circulation increased to 6,617. The bookmobile has come four times and left 1,777 books. A Friends of the Library Group has been formed. The membership is open to anyone interested in the library.

Gifts have been received from Mr. and Mrs. William Gordon, Mrs. Joceille Murphy, the Garden Club, all of Atkinson, and the Hosford Club of Haverhill in memory of Anita Hamilton, a former Trustee.

It is the wish of your trustees and librarian that townspeople avail themselves of the good books and services offered by the library. The librarian, Mrs. Reynolds, is always ready to assist anyone in which ever way she can. Suggestions and constructive criticism are most welcome in assisting us to serve the townspeople.

REPORT OF THE PLANNING BOARD

The Planning Board meets regularly on the fourth Thursday of the month. July and August we meet by appointment only because of the difficulty getting a quorum of members for the meetings due to the summer vacations.

One public hearing (in reference to changing the road bed of Rt. 111 and making it a limited access highway through to Rt. 93) was held in Salem, but there was so much action at that hearing that the second public hearing has been delayed until further notice. Three alternate routes were proposed, but none of them really affected Atkinson as far as new routes were concerned.

We've had a busy year with quite a few new plot plans approved as our town continues to grow.

With your permission, last year we changed zone 4, 5 and the northern half of zone 6 back to residential areas. We also eliminated the recreation zone up around the pond and reverted it back to residential.

Again this year, we are proposing amendments to the Planning and Zoning Laws which we hope will benefit and upgrade the town.

We would like to thank Mr. Peter Perri, our former Building Inspector, Mr. Frank Devlin, our present Building Inspector, and Mr. James Grimes, our Town Engineer. They have attended our meetings faithfully and made our work easier with their close cooperation.

Respectfully submitted,

MAURICE R. COLLINS
Chairman

REPORT OF THE HEALTH OFFICER

Nineteen seventy-two has been another reasonably healthy year with practically no contagious disease being reported. There is at this time, however, a potentially serious outbreak of measles with, to date, five times as many cases reported to the state than the sum of all the cases of the past five years. Plans have been made to inoculate school children in the early part of January, 1973.

Sanitary permits and inspections have been more numerous than in previous years, and indicates a spurt in the building activity of the town. Also, there have been many instances of necessary reconstruction of leach beds which have been installed prior to the newer state legislation requiring approval of plans and inspection of completed installations. During the summer months, *Daniel Stewart was given a temporary appointment as inspector. This appointment expired November 1, 1972. I am certain that this regulation of the state and the town will vastly improve the protection which the home owner should expect to receive.

Again the Health Officer brings to the attention of the town the necessity of locating and putting into operation a new "dump" which must be implemented by 1975.

Respectfully submitted,

HERBERT Q. HORNE, M.D.
Health Officer

* Daniel Stewart has since been appointed by the state as a permanent assistant Health Officer.

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment has had five requests for variances to the Zoning Laws during the year. All five of the requests were granted.

A filing fee of \$10, payable to the Town of Atkinson, must accompany each petition for a variance submitted to the Board of Adjustment, in order to defray the cost of advertising the meeting to consider the petition.

Sincerely,

C. CARROLL ROCK, Chairman
Atkinson Board of Adjustment

REPORT OF THE RECREATION AND CONSERVATION COMM.

The participation of youngsters in our various activities was greater than ever this year. A fourth Minor League baseball team was formed, and the summer handicrafts session attendance tripled. For the first time, girls' softball was continued through the summer. These activities wouldn't have been possible without the generosity of the adults who gave so freely of their time and skills.

It had been hoped that the new ballfield at the Pope Road area could be put in in 1972, but our application for matching funds from the Federal government was not approved in time for fall construction. The field and the parking lot will be finished this summer, and the access road will be widened and gravelled. Our plans to continue developing the area call for playground equipment and adding fireplaces to ten of the picnic sites already there. With these improvements, use of the area by Atkinson residents should greatly increase.

The Atkinson Days activities celebrating our Town's 205th year were a great success: Attendance at the dance was near capacity, and the carnival and canoe-tipping contest drew quite a crowd. We hope for the continued enthusiastic support of the townspeople for these activities.

ELIZABETH TENTARELLI
Chairman

ATKINSON GARDEN CLUB

These past months, we have enjoyed a varied and interesting program. In May, we cooperated with the TAP group of the Atkinson Academy, by contributing plants and working at their Mayfair. Our Civic Beautification Committee prepared for Memorial Day by planting geraniums at Dow Common and the Atkinson signpost on Rt. 121. This committee also did maintenance work during the summer at the Academy and the Rockwell School and No. Broadway triangles.

In June, we arranged the decorations for Class Day and Graduation at Timberlane Regional High School.

A committee was also appointed to work with the town Selectmen and the Atkinson Historical Society in an effort to replace the Atkinson signpost on Rt. 121. One of our members, Mrs. Hollis Jennings, designed a new sign which has been erected in a new and better location. This Spring, we hope to grade and plant this new site.

We also took part in the annual Atkinson Days celebration by maintaining a plant booth at the Grange Fair, under the direction of our Ways and Means Committee. Our Civic Beautification Committee planted Chrysanthemums at Dow Common for the occasion. Our Litter Bug Committee placed two new trash containers on the common.

Our tree lighting program was held in December, the tree at Kimball Public Library was decorated by the Boy Scouts of Pack 95. A musical program was presented by the Junior and Chancel Choirs of the Atkinson Congregational Church. Mr. James Cornwall was Santa Claus and Barney Winn was his elf helper; lollipops were given to the children.

Our other activities included trips to the greenhouses at U. N. H. and to the Hammond Museum in Gloucester, Mass., a Gentlemen's Night Dinner, a workshop on dried arrangements and a club flower show.

Our Club Purpose is to stimulate interest and develop knowledge of gardening in all its phases and to aid in the beautification of our town.

MARY E. LOVELY, President
Atkinson Garden Club

TOWN ORDINANCES

November 17, 1969

The Selectmen passed an ordinance on swimming pools. All inground pools are to be completely enclosed by a fence which must be a minimum of four (4) feet high. Above ground pools, when not attended, must have a gate or other protection to prevent accidental access.

June 15, 1970

Horseback riders are hereby notified that riding is restricted to 8:00 PM during daylight saving. The ordinance also states that there is to be no riding on public or private property without authorization of property owner. In event further complaints are received by the Selectmen, more stringent measures will be adopted.
